DATED 3-12-24.

Despatch Abstract.]

Port of Mangalore. — Port Officer's quarters — repairs to the retaining wall — Estimate for Rs. 154 — Sanctioned.

Received ..... 192 . *Registered* ..... 192 .

Subject.

Mangalore - Port Officer's quarters - repairs to the retaining wall.

ENCLOSURES.
No. Estimate in 3 sheets.
Spare copies .....

No. 1938 F. *Madras, dated* 18th November 1924.

From (Name) Captain C.R. Campbell, DSO., MVO., RIM.,
Presidency Port Officer, Madras

To The Deputy Secretary to the Government of Madras,
Finance (Marine) Department.

Sir,

Mangalore - Port Officer's quarters - repairs to the retaining wall.

I have the honour to forward herewith an estimate for repairs to the retaining wall on the north and west side above the pitching work at the Port officer's quarters, Mangalore, amounting to Rs.154, received from the Executive Engineer, Cochin Harbour Division, and to state that the proposed construction of a masonry drain included therein will increase the capital cost of the building by Rs.52. I therefore request the administrative approval of Government thereto.

2. It is reported that the expenditure can be met from

the unspent balance of the allotment for the wdrk of strengthening the foundation of the quarters in question in the Budget estimate of the Minor Ports Fund for 1924-25, under works by Harbour Engineer's Department.

I have the honour to be,
Sir,
Your most obedient servant,

C. Campbell.

Captain ~~R.I.M.~~,
Presidency Port Officer.

3

Report to accompany the estimate for repairs to the retaining wall on the north and west side above the pitching work at the Port Officer's quarters, - Mangalore.

Estimate Rs.154/-

The retaining wall ~~at or~~ the north and west side of the Port Officer's quarters, Mangalore, being old and in a very bad condition, owing to the stones being dis placed and the retained earth exposed in many places, provision is made in this estimate for the repairs of the same.

It is also proposed to build a masonry drain at th foot of the west wall to drain off the rain water over the pitching work at its junction with the earthen - slope on the S.W. side. This item will increase the capital cost by Rs.52/-
